You have up to 30 minutes to read the questions, study the magazine extract and make notes.

The extract is the front cover, two contents pages, and the contributors page from the magazine ‘Tatler’ (August 2012).

Answer all three questions.

1. Explain two ways the magazine extract fits the genre of lifestyle magazines. Use examples from the extract. [10]
2 Explain how each of the following elements is used to create effects:

- layout
- typography
- colour
- language.

You should use at least two examples from the extract for each element. [20]
3 Discuss how people and lifestyles are represented in the extract. Refer to stereotypes in your answer. Use examples from the extract. [20]
Answer both parts of this question using comedy programmes you have studied.

4 (a) Explain why two programmes were chosen by two different channels. Then explain why each channel chose one time and one day to schedule the programme. [15]
