

NOTICE TO CENTRES

FAO: Exams Officer/Head of Science
Date: September 2015
Subject: GCSE Gateway Science B (J261)

Removal of Controlled Assessment Task 'Pupils' (Unit B713)

It has come to our attention that there is a potential Health and Safety risk with the B713 Biology controlled assessment task, titled 'Pupils', for submission in June 2016. As a result, **this task has been withdrawn with immediate effect.**

An alternative Biology task will be uploaded onto OCR Interchange as soon as possible and we will let you know when this is available. If you have previously downloaded the 'Pupils' task for use at a later date, we recommend that you either use the alternative Biology task or one of the other B713 tasks for submission in June 2016 which are already available via Interchange.

Please be assured that if your candidates have already completed the 'Pupils' task the work is **still valid** for submission in June 2016.

We apologise for any inconvenience caused as a result of this issue.

If you have any queries about this notice, please call our Customer Contact Centre on 01223 553998.
