Dear Charlotte

601/7684/2 - OCR Level 3 Cambridge Technical Certificate in Performing Arts

601/7685/4 - OCR Level 3 Cambridge Technical Extended Certificate in Performing Arts

I am delighted to have been consulted in the development of the qualifications listed above. I have seen that you have taken my views on board in the design of these qualifications and I have reviewed the content of final qualification.

I can confirm that we consider these qualifications to be suitable for consideration in our admissions process to our Level 4 and 5 courses and degree programmes, in line with published UCAS tariff rating. University Campus Barnsley offers a range of higher education courses and provides professional training for local, national and international students. The OCR Cambridge Technical qualifications can provide access to this provision either in their own right or alongside other level 3 qualifications.

We believe that these qualifications will allow a student to develop the skills and knowledge they will need to progress and will better prepare them should they wish to continue into higher education.

Yours sincerely,

Victoria Taylor
