The need for input and output devices

Worksheet 1

Visit this **magazine website** (http://www.cambridgegcsecomputing.org/weblink1)

Browse the articles within the magazine sub-sections. Use the information you find to complete the table below. The first two rows have been partially completed. Once you've completed these, browse the rest of the site to see if you can complete the three empty rows (feel free to add some more!)

Name of Technology found	URL link to article	Input/Output?	Description of use
QR CODES	Computer Science 4 Fun – Read the book, scan the t-shirt (http://www.cambridgegcsecomputing.org/weblink2)	input	
Virtual Savannah	Computer Science 4 Fun – The Virtual Savannah (http://www.cambridgegcsecomputing.org/weblink3)
