

Withdrawal of Text Processing (Business Professional)

OCR constantly reviews the uptake and performance of all its qualifications. As a regulated awarding body, we have a responsibility to remove qualifications that no longer meet the needs of employers and students. We are therefore withdrawing some vocational qualifications at Entry Level and Levels 1, 2 and 3 that have small and declining numbers of students.

All qualifications in this suite are being withdrawn. The final series will be **Summer 2017** with a resit opportunity in Autumn 2017. We will make all units available for examination in Autumn 2017, including those that would not normally be offered in an Autumn series. OCR will of course continue to support and assess the qualifications up to the final series:

Entry Code	Qualification Title	Qualification Number	Final exam series	Resit opportunity
06956	Speed Keying (Entry 3) Entry Level Award	500/4127/7	Summer 2017	Autumn 2017

06963	OCR Level 3 Diploma in Text Processing (Business Professional)	500/3992/1	Summer 2017	Autumn 2017

Please see **Appendix A** for full unit details and **Appendix B** for all remaining assessment dates

Frequently Asked Questions (FAQs)

1. Why is OCR withdrawing these qualifications?

We continually review the uptake and performance of all our qualifications, we have seen a large decline in the number of students taking this qualification in recent years and unfortunately this has resulted in the decision to withdraw the Text Processing suite.

2. What is the last series?

The Summer 2017 series is intended to be the final session to sit a unit for the first time. All units will also be available for a resit opportunity in Autumn 2017. Please see appendix B for all remaining dates.

3. Can students sit exams in Autumn 2017 for the first time?

We will allow students to sit the examinations in the Autumn of 2017 for the first time but they will not have a resit opportunity and this should be made clear to students in advance.

4. What alternative OCR qualification(s) could I offer to my learners instead?

We are not developing a replacement for the Text Processing suite but we continue to offer other administration qualifications such as our Business Administration NVQs and Administration (Business Professional). Details of these qualifications can be found on our website:

www.ocr.org.uk/qualifications/by-subject/administration/

Other awarding organisations do offer secretarial qualifications with a narrower focus and can be found on the Ofqual register:

<http://register.ofqual.gov.uk/>

5. We are a centre in Wales/Northern Ireland – are we affected in the same way?

Yes, these qualifications are approved to be offered in England, Wales and Northern Ireland. The end dates will be the same for all three nations.

6. If I make a number of entries for the final series' and can't use all the folders before the end of the Autumn 2017 series, what happens with my unused folders?

We advise that you carefully plan any purchases of unnamed entries (submission folders) in line with the last assessment dates as they are not refundable and cannot be photocopied.

7. Text Processing (Business Professional) units are also used towards Administration (Business Professional). How does the withdrawal affect those qualifications?

Text Processing units achieved up to and including the Autumn 2017 series can still be used towards Administration (Business Professional) after the Text Processing Suite is withdrawn.

8. Who can I talk to, to get more information on alternative OCR qualifications?

To learn more about the options available to you please talk to our Customer Contact Centre on **02476 851509** or email vocational.qualifications@ocr.org.uk
