Submission of Unit 2C

Files of completed Learner work are uploaded by the teacher or Exams Officer to **Surpass**. Surpass is the software used by OCR for on-screen assessment,

The class teacher or centre Exams Officer will be uploading **completed** files of work on behalf of learners (the learner will not access Surpass themselves or complete the work using it). Work in progress is undertaken and saved outside of Surpass and the final write up uploaded on behalf of the learner:

- OCR will set up all of your learners within Surpass based on your Unit Test entries for unit 2 (test entry code 2C) for the relevant series.
- OCR will schedule the two week assessment window within Surpass so you can upload the **completed** learner work.
- You will receive (via your exams officer) login details to Surpass before the start of the two week window if this is the first time your centre has used the system with OCR.
- You **do not** need to submit an attendance list via Interchange for unit 2
- Complete learner work in .doc, .docx, .odt or PDF format should be uploaded by the end of the two week testing window (or by the Tuesday immediately following the two week window if this is not possible).

A detailed step-by-step guide on how to submit unit 2 is available from the [qualification page](#) in the External assessment section.

Submission Guidelines for filmed/supporting evidence for units 1, 3 and 33

Filmed evidence is required for assessment in Units 1, 3 and 33 for Level 3 Cambridge Technical in Performing Arts. This evidence should reflect the appropriate conditions for the activity and be of sufficient duration to demonstrate the full range of skills as specified in the relevant criteria. Specific requirements for each unit can be found in the assessment guidance for the unit in the unit document on the [qualification page](#).

- Unedited recordings of the candidate and any relevant supporting documentation as required by the unit **must** be presented on DVD/CD or Memory Stick format. VHS cassettes, mini discs and cassettes from video cameras will not be accepted by the examiner.
- The filmed evidence must be playable in either Windows Media Player or via a DVD player. For a list of file types supported by the latest version of Windows Media player, please see [here](#).
- The filmed evidence must be clearly labelled with the centre number and unit number (for memory sticks this could be a tag or sticker).
- The DVD/CD/Memory Stick must only contain **one** unit.

The filmed evidence must be accompanied by a **cover sheet** (provided by OCR) for each candidate containing the centre and candidate details and can be downloaded from the forms section of the [qualification page](#). The cover sheet must be printed and posted to the examiner with the DVD/CD/Memory Stick. OCR will provide examiner labels and script bags to despatch your work in. Please ensure the media is secured before placing in the script bag to prevent damage in transit.

At the start of each recording the candidate must clearly introduce themselves stating their full name and candidate number. Supporting documents must also identify the candidate so the name and candidate number should appear on each page as a header or footer.

- There must be no password protection on any of the files.
- A separate folder should be used for the evidence of each candidate
- Files should be saved using the following convention:

<Centre Number>_<Unit Number>_<Candidate Number (if available)>_<Surname_ Initials>
E.g 12345_1_0007_Smith_JK

Attendance List

An attendance list must be submitted via Interchange when you are submitting units 1, 3 and 33.

The 'date attended' will be the date you are submitting it to OCR (as candidates will complete the assessments across multiple sessions within the two week window).

Required for submission of units 1, 3, 33

- DVD/CD/Memory Stick
- Cover Sheet from [qualification page](#) (one per candidate)
- Script bag and label (Provided by OCR)
- Attendance List submitted via [Interchange](#)
