Dear Ms Bosworth

Fujitsu is the leading Japanese information and communication technology (ICT) company offering a full range of technology products, solutions and services. Approximately 162,000 Fujitsu people support customers in more than 100 countries. We use our experience and the power of ICT to shape the future of society with our customers.

I can confirm that you have consulted with me during the development of this qualification and that you have taken my views on board in the design of the qualification and the units making up the pathways listed below:

OCR Level 1/2 Cambridge National Certificate in Information Technologies 603/1311/0.

It is designed for learners aged 14-16.

This qualification has been developed in collaboration with employers, it means the knowledge and competencies are relevant, transferable and up to date.

We believe the skills and knowledge the students will develop when taking these qualifications will act as a basis for progression into the workplace in this sector.

We further acknowledge that this qualification will allow a student to develop the skills and knowledge they will need to progress into employment within the IT industry.

Yours sincerely,

Ash Merchant
Education Director
