

ERRATUM NOTICE

Tuesday 21 June 2016 – Afternoon

GCSE DESIGN AND TECHNOLOGY: Graphics

**A535/01 – Sustainability and Technical Aspects of
Designing and Making**

**FOR THE ATTENTION OF
THE EXAMINATIONS OFFICER**

To be opened on the day of the exam

Instructions to Invigilators:

Before the start of the examination hand out a copy of this erratum to each candidate.

This notice contains a replacement question for question 9 on the reverse of this document.

Please ensure all candidates amend the copy of their question paper by crossing out the current question provided for **question 9, page 3**. It is important that candidates do not cross out the answer line. Candidates must use the replacement question provided on the reverse of this document and must write their answer on the answer line provided in the question paper.

Please do not include this notice with the return of the scripts for marking.

OCR apologises for any inconvenience caused.

Any enquiry about this notice should be referred to the Customer Contact Centre on 01223 553 998 or general.qualifications@ocr.org.uk

A535/01 – Sustainability and Technical Aspects of Designing and Making

Replacement: Question 9, page 3

Question:

9 Give the full name for CO₂.

Write your answer on the question paper and not on this page.
