

OCR NEA Centre Declaration Form for 2021

For students taking qualifications in June 2021 in the following subjects, your head of centre must sign this declaration form. Return a copy of this form to centre.auth@ocr.org.uk by 18 June 2021. Failure to do so may lead to an investigation into suspected malpractice.

GCSE English Language (J351) – Spoken Language Statement

I confirm that for all candidates entered for GCSE English Language:

- Reasonable steps have been taken to ensure that a spoken language assessment has been completed by each candidate.
- The centre has retained written records of assessment outcomes from all teaching groups/assessors within the centre.

A Level Biology (H420, H422), Chemistry (H432, H433), Physics (H556, H557) – Practical Science Statement

I confirm that for all candidates entered for A Level Science:

- Reasonable steps have been taken to ensure that each candidate has had the opportunity to complete the minimum number of practical activities required to demonstrate competence in the 1.2.1 criteria and the Common Practical Assessment criteria from the specification.
- Whilst undertaking the practical activities, all candidates have written and retained a record of their work.

A Level Geology (H414) – Practical Skills Statement

I confirm that for all candidates entered for A Level Geology:

- Reasonable steps have been taken to ensure that each candidate has had the opportunity to complete the minimum number of practical activities required to demonstrate competence in the 1.2.1 criteria and the Common Practical Assessment criteria from the specification.
- Whilst undertaking the practical activities, all candidates have written and retained a record of their work.
