We appreciate that 2020/21 has been very difficult so far. If you are able to give any indication of what practical activities you think you will be entering marks for this year in the table over the page, please do so. We understand that this may only be partial or provisional at this stage.

Please ensure that you are using the most up to date documents and support materials for OCR GCSE Physical Education, available on the OCR website at: <http://www.ocr.org.uk/qualifications/gcse-physical-education-j587-from-2016/>

In the table below, please tick any activities which you plan to enter final assessed marks in where you are able to at this stage.

Please add any approved disability special activities to the bottom in the spare lines of this table. These must have been approved by OCR and permission must have been granted for use in this series.
