## **GCSE (9–1) Design and Technology**

**J310/02, 03** Iterative Design Challenge

Non-examined assessment (NEA) task

**To be given to candidates on or after 1 June 2021.**

**Valid for certification in 2022.**

### **INSTRUCTIONS**

- Choose **one** contextual challenge.
- Write your own design brief in response to your chosen contextual challenge.
- Your portfolio of evidence must be your own work.

### **INFORMATION**

- The total mark is **100**.
- This document has **2** pages.

## Contextual Challenges

You should explore the contextual challenges given below to choose **one** of the set challenges.

Recognising that all design and technology practice takes place within contexts which inform outcomes, you should explore the context of your chosen challenge to identify problems and opportunities that offer possibilities when writing your own design brief.

You must create a portfolio to support the iterative process of developing your design solution. The portfolio must deliver:

- a chronological account of your design process
- photographs and videos of your final prototype(s) that clearly demonstrate your practical outcome.

The challenges **must not** be altered.
