Requirements for certification in 2021/22

For candidates certifying in 2021/22, and where disruption to teaching has been such that it is necessary, assessment can now be reduced by **one optional moderated unit, or, where circumstances require it, one mandatory moderated unit.**

The diagram below shows the number of units you need to take/submit depending on how many units you have already 'completed'.

Of the units left to complete, where you have mandatory and optional units left, the mandatory units must be taken. If you only have two units left to complete and both are mandatory, the examined unit must be taken.

For all candidates certificating in 2022, an assessment must be taken this year. Any units taken in a previous series, units that are eligible for a deferred assessed grade from summer 2020 or units eligible for a unit teacher assessed grade (TAG) from summer 2021 are considered 'complete'.

Examples using Creative iMedia in 2021/22

Example 1

Three units left to complete, two must be completed and assessed.

Number of units 'completed' as of summer 2021

Example 2

Two units left to complete, one unit must be completed and assessed.

Number of units 'completed' as of summer 2021

Number of units to take/submit in 2021/22

With two units left to complete, one must be taken/submitted. As R081 was planned for this year and is mandatory, it must be taken. The remaining optional unit does not need to be taken/submitted.

Example 3

Two units left to complete, one unit must be completed and assessed.

Number of units 'completed' as of summer 2021

Number of units to take/submit in 2021/22

With two units left to complete and both being mandatory, the examined unit must be taken. The assessment for R082 does not need to be taken/submitted.
