Assessment

This unit is internally assessed and externally verified by OCR Assessors. Simulations are not allowed.

To achieve a Pass, learners must produce evidence which meets all the assessment criteria.

Evidence requirements

All evidence of a learner's performance must be generated in the workplace. Learners must produce their own work and assessors use a range of assessment methods. More information about suitable forms of evidence can be found in the OCR Level 6 Diploma in Career Guidance and Development Centre Handbook.

Guidance on assessment and evidence requirements

In order to provide appropriate evidence to meet the assessment criteria for this unit the following methods can be used:

- assignment/report
- case study
- observation
- professional discussion and/or questioning of the learner.
- witness testimony.

The use of observation should preferably be face to face or through 'visual technology'. The use of audio recordings is allowed where the above options are not accessible or for a telephone guidance-based service.
