## Cambridge Technicals: arrangements for requesting a reduction in assessment for 2021/22

## Reduction in the number of assessments for 2021/222

With the approval of the DfE, we are allowing the number of assessments of Cambridge Technicals moderated units to be reduced in 2021/22 where disruption to teaching and learning has been so great that it is necessary. This reduction is only available for those units that were planned to be assessed in 2021/22. Details of the reduction available for each qualification can be found on our online support centre for the 2016 suite and for the 2012 suite.

A new 'reduction in assessment' area of Interchange will be available after Easter for you to tell us which units you are using the reduction in assessment for. We will also ask you to upload a simple Head of Centre declaration to confirm the requirements have been followed. The window to submit this information to us is **22 April to 15 May 2022**.
