

Cambridge Technicals

Summer 2023 timeline

We're committed to working with schools and colleges to make sure all students receive their Cambridge Technicals results as planned this summer. This timeline highlights the **KEY** dates and deadlines for both the 2012 and 2016 suites – this year, there are some **new checkpoint activities** for schools and colleges to carry out. For a **full** list of dates and more summer exams support, visit our dedicated [webpage](#).

1–21 March	● Schools and colleges make entries for Cambridge Technicals examined units (June 2023 series)
15 March	● Release of results for January 2023 series Qualification results released to schools and colleges alongside results for January 2023 examined units. Results can be issued to students as soon as they are released.
20 March–28 April	● Schools and colleges submit outstanding requests for reduction in assessment from the 2021/22 academic year This is the final opportunity to add any students who used reduction in assessment in 2021/22 who may have been missed off the original submissions in April/May 2022.
3 April	● Cambridge Technicals Progress Tracker is available Schools and colleges will use the Progress Tracker to check qualification entries (registrations) and student achievements.
3–28 April	● CHECKPOINT 1: Schools and colleges confirm which students are expecting a qualification result in August 2023 Students without a valid qualification entry (registration) and the required unit achievements will not receive a result by results day .
15 May	● Deadline for schools and colleges to arrange final moderation visit to make sure this takes place before 30 June Moderation visits after 30 June may mean that units and related qualification achievements are not available by results day .
15–23 June	● CHECKPOINT 2: Schools and colleges check unit achievements and provide a declaration to confirm the details are correct Students without a valid qualification entry (registration) and the required unit achievements will not receive a result by results day .
30 June	● Final moderation visits to centres completed Moderation visits after 30 June may mean that students will not receive unit achievements and related qualification results by results day .
14 August	● Release of results for June 2023 series Qualification results issued to schools and colleges alongside results for June 2023 series examined units. Results can be issued to students as soon as they are released although schools and colleges may wish to issue them at the same time as A Level results.
17 August	● Results day The day when students will expect to receive their qualification results alongside results for the June 2023 series examined units.
