Assessment

This unit is centre assessed and externally verified. A holistic approach to assessment should be adopted so that one piece of evidence covers more than one learning outcome and several assessment criteria and where appropriate, provides evidence across several units. Your assessor will use a range of assessment methods which may include:

- observation of performance in the work environment
- examination of work products
- questioning the learner
- discussing with the learner
- use of others (witness testimony)
- looking at learner statements
- recognising prior learning

Evidence requirements

A range of evidence should be gathered to cover the Learning Outcomes and Assessment Criteria. Examples may include:

- Job requests/briefs from colleagues
- Copies of work produced using equipment
- Fault/problem logs indicating your response
- Records of training in use of equipment
- Minutes of team/1 to 1 meetings, relating to use of equipment
- Annotated copies of relevant sections in user manuals

The candidate must demonstrate their ability to use a range of office equipment including a computer, printer, and photocopier along with other equipment necessary to carry out their job eg telephone, franking machine, fax machine, data projector, shredder, laminator, binder, paper folder.

Guidance on assessment and evidence requirements

Refer to sections on Assessment and Evidence requirements above.
