Assessment

This unit requires workplace assessment of occupational competence. It is internally assessed by centre staff and externally assessed by an OCR External Verifier.

The unit is competence-based. This means that it is linked to the candidate's ability to competently perform a range of tasks associated with their work.

This unit can be assessed independently of other units. However, it may be possible to generate some of the evidence for this unit holistically when gathering evidence for other units in the same qualification.

AC 4.5: 'Politely' means demonstrating respect and consideration for other people through the use of appropriate body language, verbal language, tone of voice (or the sign language equivalent) and facial expressions.

AC 6.6: 'Constructive' means objective (i.e. not personal), designed to help, and conveyed in a respectful manner.

The unit needs to be assessed in line with the relevant Sector Skills Council's (SSC's) Assessment Strategy or Principles. Skillsmart Retail's Assessment Principles for Retail Qualifications can be found on their website (www.skillsmartretail.com).

Assessment conducted by an external/peripatetic assessor must adhere to section 4.2.1 of Skillsmart Retail's '*Retail Qualifications Assessment Principles*'. As such, OCR requires the line manager or the owner/manager to sign and date the bottom of each unit Evidence Record Sheet (ERS) to both confirm their involvement and the candidate's competence. This should be on or prior to the signature and date provided by the assessor.

Evidence requirements

OCR does not stipulate the mode of delivery for the teaching of the content of this unit. Centres are free to deliver this unit using any mode of delivery that meets the needs of their candidates. Centres should consider the candidates' complete learning experience when designing programmes of learning.

Guidance on assessment and evidence requirements

OCR provides the following as guidance when assessing the unit:

AC 2.4: When explaining the importance of implementing H&S procedures, the candidate should include legal consequences for both the individual and the business, customer impression, financial consequences, poor publicity.

AC 3.1 and AC 3.2: The candidate could consider factors that demotivate (for example, unrealistic target, poor leadership, personal issues, conflict, criminal activity) and measures that can boost morale (for example, positive feedback, acknowledgement of achievement, a good working atmosphere, bonuses and incentives).

AC 4.5: When explaining the importance of treating people fairly, politely and with respect, the candidate should be able to provide the benefits of such behaviour rather than simply referring to the avoidance of problems.

Where additional guidance has been provided, it is not intended to be exhaustive. Candidates may also use other relevant or appropriate examples.

You should refer to the '*Admin Guide: Vocational Qualifications (A850)*' for *Notes on Preventing Computer-Assisted Malpractice*.

National Occupational Standards (NOS) mapping/signposting

This unit is based on the NOS reference SSR.E335, SSR.E336, SSR.E337

NOS can be viewed on the relevant Sector Skills Council's website or the Occupational standards directory at www.ukstandards.co.uk.

Functional skills signposting

This section indicates where candidates may have an opportunity to develop their functional skills.

Functional Skills Standards
