3 [3]

(c) Sports development often has to demonstrate success to show that it is worthwhile and deserves funding.

(i) The organisers of a sports development initiative which was aimed at people in the 'participation' level of the sports development continuum are reviewing what they did.

Describe **three** different ways they could show that the initiative was successful other than total numbers who participated in it.

1

2

3

[3]

(ii) The same organisers now want to plan and deliver a sports development initiative aimed at people in the 'excellence' level of the sports development continuum.

They want to identify ways to measure the success of the initiative as part of the planning of the event.

Suggest **four** different ways they could show that the initiative was successful given its focus on the 'excellence' level of the sports development continuum.
