	4.3 Explain the importance of having reliable and fast information for their customers and their organisation 4.4 Evaluate the organisational procedures and systems for delivering customer service 4.5 Identify useful customer feedback and explain how to decide which feedback should be acted on 4.6 Describe how to communicate feedback from customers to others 4.7 Evaluate the organisational procedures and systems for recording, storing, retrieving and supplying customer service information 4.8 Explain the legal and regulatory requirements regarding the storage of data	<ul style="list-style-type: none"> • Organisational procedures and systems for delivering customer service • How to obtain and use customer feedback • The Data Protection Act and how they must apply it within their organisation • The systems and procedures for recording, storing, retrieving and supplying customer information

Assessment

This qualification is internally assessed by centre staff and externally verified by OCR Assessors.

Evidence requirements

1. Your evidence should be collected when carrying out a real job, whether paid or voluntary, and when dealing with real customers, whether internal or external to the organisation. Evidence collected in a realistic working environment or a work placement is not permissible for this Unit. Simulation is not allowed for any performance evidence within this Unit.
2. You may collect the evidence for the Unit through work in a private sector organisation, a not-for-profit organisation or a public services organisation.
3. You must provide evidence that shows you have done this over a sufficient period of time with different customers on different occasions for your assessor to be confident that you are competent.
4. You need to include evidence that you have dealt with a variety of customers including:
 - a customers who are easy to deal with
 - b customers who are difficult to deal with
 - c existing customers
 - d new customers.

5. Your evidence must show that you have:
 - a taken responsibility for your own actions in the delivery of customer service
 - b used spontaneous customer feedback to improve customer service
 - c used customer feedback that you have requested to improve customer service
6. The system you use for recording data can be manual or electronic.

Guidance on assessment and evidence requirements

Please refer to the OCR Customer Service Centre Handbook available from the OCR website www.ocr.org.uk

National Occupational Standards (NOS) mapping/signposting

This unit maps fully to competences outlined in the Customer Service 2010 (Institute of Customer Service) suite of National Occupational Standards.
