**Section A**  
**Child language acquisition**

You should spend about **40 minutes** on this section.

Read **Text A** in the **Resource Booklet** and answer the question.

- 1 Using the appropriate terminology to explain your findings, examine the language development stage of the child-participant as evidenced in the transcript. You should identify and analyse the phonology, grammar and meaning of his utterances.

Use your knowledge of theories and concepts of child language acquisition to support your answer. **[20]**

**Section B**  
**Language in the media**

You should spend about **45 minutes** on this section.

Read **Text B** in the **Resource Booklet** and answer the question.

- 2 Using your understanding of relevant ideas and concepts, investigate how language features and contextual factors construct meanings in this text. **[24]**

**Section C**  
**Language change**

You should spend a **maximum** of **1 hour and 5 minutes** on this section.

Spend **15 minutes** reading and preparing your answer and about **50 minutes** writing your answer.

Read **Texts C** and **D** in the **Resource Booklet** and answer the question.

- 3 By detailed analysis of the writing in both passages, discuss and illustrate variations in language between the early years of the 20th and the 21st centuries. In your answer you should explore the ways language is used in each text as well as how contextual factors influence the way meaning is constructed. **[36]**
