Minor corrections have been made to the Frequently Asked Questions section of the Teacher's Handbook. The entry codes for units A551 and A553 were incorrect. The correct entry codes for these units can be seen below:

Unit entry code	Component code	Submission method	Unit titles
A551	/01	<i>OCR Repository</i>	Developing and Applying Design Skills
	/02	<i>Postal moderation</i>

It is essential that unit entry codes are quoted in all correspondence with OCR.
