**INSTRUCTIONS FOR COMPLETION**

**A Marking and Internal Moderation**

**1** Teachers must be thoroughly familiar with the appropriate sections of the specification and with the General Coursework regulations.

**2** Complete the information at the head of the form.

**3** List the candidates in an order which will allow ease of transfer of marks at a later stage (i.e. in candidate index number order, where this is known). The teaching group/set should also be shown.
**Please use every other line leaving the shaded area for the use of the moderator.**

**4** **Mark the project for each candidate according to the guidance and criteria given in the current specification.** General comments on particular points concerning individual candidates should be written in the space below.

**5** Where more than one teacher has entered candidates for this specification, carry out internal standardisation to ensure that the total marks awarded to each candidate reflects a single valid and reliable order of merit.

**6** All Coursework must be annotated in accordance with OCR's guidelines.

**7** Ensure that the addition of marks is independently checked.

**8** Retain all forms securely pending further instructions from OCR. A copy of this completed form needs to be retained in the Centre.

**B External Moderation**

Documents will be sent to you in April for the purposes of external moderation.
