Put ticks in the boxes (one per row) to indicate the mark matched by the candidate's work for each aspect of performance. Record the mark awarded for each strand, the total for the Case Study and the Practical Data Analysis, and the final total marks. The Additional Notes are available for further record-keeping, including internal standardisation and comments, if required. A completed copy of this form must be attached to the work of each candidate in the sample requested by the moderator.
