# Unit 1 – Business purposes

Classifying Businesses

Instructions and answers for Teachers

These instructions should accompany the OCR resource 'Classifying Businesses',
which supports OCR Level 2 Cambridge Technical Certificate in Business Unit 1 - Business purposes

Associated Files:
Classifying Businesses

Expected Duration:
Approx 20 minutes

Classifying Businesses is a single task which enables learners to demonstrate their understanding of business classifications.

Learners should consider each of the business classifications and write them into one of the three columns (primary, secondary or tertiary).

Answers for this task can be found in the table below.

Primary	Secondary	Tertiary
Farm	Bakery	Supermarket
Mine	Car factory	Garage
Oil extraction	Oil refinery	Petrol station
Tree felling	Publisher	Book shop
Quarry	Building company	Estate agent
