

Accessing the GCSE Mathematics A and B additional specimen papers (mock papers) and the Mathematics B Stage Tests

These papers have been made available through the secure OCR Interchange service so that they are accessible only to centres.

Step 1: access OCR Interchange at the following address: <https://interchange.ocr.org.uk>

Step 2: enter your login details.

Login

Login ID: **(for centre users this will be your centre number)**

Username:

Password: **(case sensitive)**

[Forgotten your password?](#)

There is a link on the Interchange login screen for centres new to the service. Ask your examinations officer if you are unsure if your centre is registered.

Step 3: Move the cursor over “GCE, GCSE, Principal Learning...” and then click on “Sample Assessment Materials.” (Depending on your role in the centre, other options may be available from those shown below.)

NB you will also notice the link for OCR Active Results is in this area.

You are here: Home

Information about the QCF
As many of our qualifications move across through the changes that are taking place. V is available, too. [Read more about QCF imp](#)

Tell us what you think

Step 4: Select GCSE, then Mathematics, and then either Mathematics A or Mathematics B as appropriate (resources for the Linked Pair will be made available at a later date).

A series of ZIP files will appear, each of which contains all the papers/mark schemes/certificates for the specification as appropriate. The files can then be opened and/or saved locally.

Sample Assessment Materials

Notices

 Additional specification question papers and markschemes are now available to download for GCSE Mathematics A and Mathematics B.

Use the drop-down menus below to select the sample assessment materials you require.
