- Write your name, centre number and candidate number in the boxes above. Please write clearly and in capital letters.
- Use black ink. Pencil may be used for graphs and diagrams only.
- Read each question carefully. Make sure you know what you have to do before starting your answer.
- Write your answer to each question in the space provided.
- Answer **four** questions in total; **two** questions from **two** options only.
- Do **not** write in the bar codes.

INFORMATION FOR CANDIDATES

- The number of marks is given in brackets [] at the end of each question or part question.
- The total number of marks for this paper is **100**.
- This document consists of **20** pages. Any blank pages are indicated.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To its right, there are 25 horizontal dotted lines extending across the page, providing a grid for recording the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To the right of this line, there are 25 horizontal dotted lines extending across the page, providing a space for writing the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To its right, there are 25 horizontal dotted lines extending across the page, providing a space for writing the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To the right of this line, there are 25 horizontal dotted lines extending across the page, providing a space for writing the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To its right, there are 28 horizontal dotted lines extending across the page, providing a grid for marking the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To the right of this line, there are 25 horizontal dotted lines extending across the page, providing a space for writing the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line on the left side of the page, with horizontal dotted lines extending from it across the page, providing space for writing the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To the right of this line, there are 25 horizontal dotted lines extending across the page, providing a space for writing the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To its right, there are 25 horizontal dotted lines extending across the page, providing a grid for recording the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To the right of this line, there are 25 horizontal dotted lines extending across the page, providing a space for writing the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To the right of this line, there are 25 horizontal dotted lines spaced evenly down the page, providing a grid for recording the number of questions answered.

Write the number of each question answered in the margin.

A vertical solid line is drawn on the left side of the page. From the top to the bottom of this line, horizontal dotted lines extend across the width of the page, creating a margin for writing. There are approximately 28 dotted lines in total.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To its right, there are 25 horizontal dotted lines spanning the width of the page, providing a space for writing the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. To the right of this line, there are 25 horizontal dotted lines extending across the width of the page, providing a grid for recording the number of questions answered.

Write the number of each question answered in the margin.

A vertical margin line is positioned on the left side of the page. From this line, horizontal dotted lines extend across the page, creating a series of rows for writing. There are 22 such rows in total, providing ample space for recording the number of questions answered.

Write the number of each question answered in the margin.

A large vertical rectangular area designed for marking the number of questions answered. It features a solid vertical line on the left side and a series of horizontal dotted lines on the right side, creating a grid-like structure for writing. The area is currently empty.

Write the number of each question answered in the margin.

A vertical margin line is on the left side of the page. To the right of this line are 25 horizontal dotted lines, providing space for writing the number of questions answered.

PLEASE DO NOT WRITE ON THIS PAGE
